Join certified Google Educators
Chris Good and Scott McIntosh
for a day of Google apps for educators.

The power of Google goes beyond its search engine. Google offers educators free apps for classroom use. In this day-long workshop, you'll learn about — and have an opportunity to explore — Drive & Docs, Calendar, and Gmail, as well as search tools, add-ons, and extensions for the Chrome browser. If you'd like to tap into the power of Google, make plans to attend!

Cost is \$15. To register, please visit www.esu1.org
